

## QUESTIONNAIRE

Answer the questions below – the answers do not have to be logical but rather “as felt”. There is no right or wrong answer – your personal point of view is what counts.

1. Nothing – what is that?

---

---

2. If you think about people, where would you see the association between nothing and people (societal, social, materially...)? Why?

---

---

3. Do things and objects have a meaning? State reason!

---

---

4. How is Nothing constituted?

---

---

5. What occurs to you regarding *nothing* linked to the ego?

---

---

6. If one were to ascribe a characteristic to Nothing, which would you choose?

---

---

7. Can one attribute a colour to Nothing? If so, which would you choose?

---

---

8. If one feels like *nothing* oneself, what kind of feeling could that be?

---

---

9. Does life have a purpose? Give reasons.
